Black water resistant leather lace up safety boot

- Revolutionary CushionCore comfort technology absorbs and disperses energy as your heel strikes down while generating rebound at the front of your foot
- Dual-density midsole – World first technology of two compounds injected into the midsole providing superior shock absorption at the heel and providing rebound at the forefront as you step
- Thermo Polyurethane (TPU) outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Super cushioning Comf2Bull airflow footbed of soft PU (polyurethane) that's also antibacterial and washable
- Coolmax® thermal regulating lining fabric helps move perspiration away from the body to the fabric's outer surface, where it can evaporate quickly.
- Zip side for additional convenience
- Extra heavy duty heel guard and a TPU toe guard for extra scuff protection
- Padded collar and tongue
- Broad fitting 200 Joule impact resistant Type 1 steel toe cap
- Certified to Standard AS/NZS 2210.3:2009
Classification 1 – ID2815
ASTM F2413-17
- Sizes 4-13
